7. Successors and Assigns

The privileges granted to Licensee herein shall not inure to or benefit any person or entity other than Licensee, either through assignment or sublicense. Any attempt by Licensee to so assign or sublicense all or any portion of the Licensed Property for any purpose whatsoever shall void this License.

8. Termination of the License

8.1 If a party (the "Defaulting Party") fails (i) to make payment required herein by its due date or (ii) perform a material obligation under this License within 30 days after written notice is given to the Defaulting Party of its failure to perform such obligation on the date when such performance was due (or, if such default cannot reasonably be cured within 30 days, then within such longer period as is determined by the non-defaulting party to be necessary to cure such default, provided the Defaulting Party commences to cure such default within the 30 day period), then, upon the expiration of the applicable cure period, if any, the non-defaulting party may terminate this License upon not less than 30 days prior written notice to the Defaulting Party.

If Licensee has failed to remove any of its improvements or restore the Licensed Property within such sixty (60) day period, Licensee shall reimburse Licensor for the reasonable costs incurred by Licensor for the removal or storage of Licensee's improvements and restoration of the Licensed Property. Licensee shall release and indemnify against all claims, Licensor, Association, and USA from all damages resulting to Licensee as a result of such removal, storage, or restoration. Nothing in this License shall be construed to deny or lessen the powers and privileges granted Licensor by the laws of the State of Arizona and the USA. Licensor shall not be liable to Licensee for any damage to Licensee's improvements located upon the Licensed Property, unless due to negligent or willful acts or omissions of Licensor or its agents or employees.

If Licensee fails to correct the default within the Correction Period, Licensor may take any action reasonably determined by Licensor to be necessary to correct such default, including without limitation making any repair or modification to or removing any of the Licensee's improvements. Licensee shall reimburse Licensor for the reasonable costs it incurs to correct such default within thirty (30) calendar days after Licensor presents Licensee with a statement of such costs. Licensee shall release Licensor, Association and USA from all damages resulting to Licensee from the correction of such default, including, without limitation, those damages arising from all repairs or modifications to or removal of any of Licensee's improvements.

This License is subject to all existing encumbrances of record, including easements and licenses. It shall be Licensee's obligation and responsibility to ascertain the rights of all third parties in the Licensed Property. Licensor consents only to the use of the Licensed Property for

the purposes described herein, in its capacity as manager of the Licensed Property and on behalf of the USA. Nothing in this License shall be construed as Licensor's representation, warranty, approval or consent regarding rights in the Licensed Property held by other parties, except as have been created by Licensor. Licensee shall indemnify and hold Licensor, the USA and the Association harmless from any liability arising out of any dispute or claim regarding actual or alleged interests in the Licensed Property, affecting Licensee's interests created herein and shall release Licensor, the USA and the Association from any such claims on its own behalf.

12. Indemnification

To the extent not prohibited by law, specifically including but not limited to Article IX, Section 7 of the Arizona Constitution if applicable, Licensee, its successors and assigns, shall indemnify, release and hold harmless Licensor, Association and the USA, and the directors, officers, employees, agents, successors and assigns thereof for, from and against any damage claim, demand, lawsuit or action of any kind for damages or loss, whether such damage or loss is to person or property, arising in whole or in part out of: (a) negligent or otherwise wrongful acts or omissions of Licensee, its agents, contractors, officers, directors, or employees; (b) Licensee's use or occupancy of the Licensed Property for the purposes contemplated by this License, including but not limited to claims by third parties who are invited or permitted onto the Licensed Property, either expressly or impliedly, by Licensee or by the nature of Licensee's improvements or other use of the Licensed Property pursuant to this License; or (c) Licensee's failure to comply with or fulfill its obligations established by this License or by law. Such obligation to indemnify shall extend to and encompass all costs incurred by Licensor in defending against such claims, demands, lawsuits or actions, including but not limited to attorney, witness and expert fees, and any other litigation related expenses. Licensee's obligation pursuant to this Section 12 shall not extend to claims, demands, lawsuits or actions for liability attributable to the sole exclusive negligence or willful action of Licensor, its directors, officers, employees, agents, successors or assigns. The provisions of this Section shall survive termination of this License.
