SUBJECT: Sole Source Determination

As Director of the City Department for which the item(s) will be purchased, I have made a determination that only one (1) reasonable and practicable source exists to supply the required material. As such, I am authorizing the City Procurement Office to work with my Department to negotiate an acceptable contract with:

Sagem Morpho
Name of Supplier

Description of Item(s) to be purchased:

This purchase is simply an update to the annual service contract to service and maintain the Arizona Automated Fingerprint Identification System (AZAFIS) 07/01/2008 through 06/30/2009. This is the Department's fingerprint system, which is governed by DPS.

Estimated value of purchase: \$35,320.00

My department contact for this purchase is Joanne E. Archibald at Ext. x 8567.

My Sole Source determination is based upon extensive research conducted by my department as to possible suppliers for this need and a written justification is attached for City Procurement Office records.

As related to this purchase, there are no conflicts of interest, legal, ethical or preference issues which would compromise my department or this acquisition.
