Currently Town Lake has five boating programs rowing, outrigger paddling, dragon boat paddling, sailing and kayaking. Tempe Town Lake hosts events on the lake such as Regattas, Triathlons and Special Olympics. The lake is also popular for out of state teams to practice during winter breaks and team building events for corporate entities. New programs like moonlight paddling are popular with adults. Starting new water recreation programs on the lake would be a great opportunity for the lake to generate recreational usage.

**General discussion** regarding the **Town Lake Boating**, including:

- Randy asked if the City of Tempe rents boats from Rio Lago Cruise or does the city own their boats. Joe answered the City of Tempe owns their own fleet.

Jerry Hart, Financial Services Manager, the city is experiencing budget constraints due to the economic down turn.
