## COMMENTS:

23 West is requesting approval of a use permit for an all ages live music venue. The property is located near the southwest corner of Mill and Southern Avenues within the Danelle Plaza. The business operation will consist of music productions/concerts open for all age groups. The applicant's letter of explanation indicates that the staff has broad experience in concert venue management experience. They have provided a detail plan for managing activity on the interior and exterior of the business.

This business owner had a similar proposal before the Hearing Officer on October 16, 2007. The request was denied. To date staff has received two (2) telephone calls in support of this request. The Tempe Police Department will be attending the Hearing Officer Meeting to convey their concerns with this proposed use at this location. There has been numerous calls for service at this intersection, some attributable to the other bar uses on the southeast and northeast corners. The Police Department personnel will give a report on the calls for service (see attachments).

## **23 WEST**

### **Business Description**

As an all ages arts and entertainment venue [without a bar] 23 West aims to provide a safe, professional and positive environment where citizens of all ages can express themselves through music, art and other culturally diverse programs. Currently, the City of Tempe lacks a true all ages venue. Owned and operated by industry professionals that have been booking and promoting live events in the valley for over 10 years, 23 West is the solution to this problem, easing the concerns of parents and lessening the burden on local police enforcement.

Tempe, the Phoenix Metro area's hub, will benefit from 23 West's goal to provide a safe haven for all members of the community to experience the arts. Amongst the network of venues in the valley the only true all ages facilities are located in the Downtown Phoenix area. This void forces the citizens of Tempe seeking a more intimate arts and entertainment experience to travel to Phoenix putting their children and themselves in unsafe areas. 23 West not only provides an safe alternative arts experience, it will bring lost revenue and cultural diversity back to Tempe.

23 West's owners and operators have promoted shows at venues ranging in size from Modified Arts (150 capacity) to Veteran's Memorial Coliseum (12,000 capacity). The owners understand what it takes to secure events at any level. 23 West has consulted with E Staff and the Tempe Crime Prevention Unit to create a concise, effective security plan. In addition to the suggestions made by both agencies, 23 West will provide; a safe and well lit drop off/pick up area for underage patrons and a professionally patrolled parking lot.

This will be the jump off point for a positive change in a community that often-times overlooks arts and music in the pursuit of alcohol sales. The creation of an all ages venue that can operate without a bar, caters to patrons of all ages and promotes the cultural diversity of Tempe that is crucial to the prosperity of this city.

Dear Ms. Lesser,

The Tempe Police Department Crime Prevention Unit opposes the opening of an over/under night club located in the Danelle Plaza. As you know, Danelle Plaza is home to several different types of businesses. Adding youth to this environment holds a potential for endangering these youth and the addition of more crime. Currently there is a day labor center, which brings a homeless loitering problem to the plaza. There are two bars, two restaurants, two convenience stores and a smoke shop along the perimeter of the plaza. These businesses increase vehicle traffic in the parking lot, along with parking issues and the opportunity to obtain alcohol by illegal means. The Circle K, located at 15 W. Southern, which will be next door to the night club, has the 3<sup>rd</sup> highest number of beer thefts in the City of Tempe at 101 thefts reported between 1-1-09 and 8-31-09.

While calls for service at Danelle Plaza have decreased since 2006 (See attachment #1), I believe that the addition of an over/under night club will significantly increase police calls for service. This belief is backed up by the history of calls for service at other over/under night clubs. Those clubs include: The Sets at 93 E. Southern (which is across the street from Danelle Plaza), Sneakers at 1420 E. Southern (recently closed), The Horse and Hound aka The Clubhouse at 1320 E. Broadway and Graham Central Station at 7850 S. Priest. See attachment #2.

I have also included statistics from the Marquee Theatre located at 730 N. Mill Avenue. Due to the size of this venue, it does not compare to the size of the proposed Yucca Club. However, these statistics do show the documented problems with live bands and the mixture of adults and youth. See attachment #3.

Crime Prevention requests that Mr. Hu's application for an over/under night club be denied by the City of Tempe.

Sincerely,  
Cyndi Calender  
Crime Prevention Specialist
