- Organization includes 'Policies' and the 'Guidelines' that support them vs. Secretary of the Interior's Standards and Guidelines that support them; vs. Form-Based Design Guidelines which are illustrative with similar characteristics
- Consensus from neighbors who attended meeting they are looking forward to Design Guidelines and will utilize them for compatible improvements

A: Stylistic character of Ranch homes; horizontality; get to commonality and build from it

- Next step: neighborhood leaders will likely take this to formal DPM Neighborhood Association meeting for a vote, then subsequent application to City, if approved

5. Discuss + Consider Chair / Staff Updates:
