ITEM III – New Recruits

Motion by Jeff McHenry to approve new recruits **Andrew Brooks** and **Michael Kells**. Second by James Foley. Motion passed unanimously.

ITEM IV – Retirement Applications

Motion by Jeff McHenry to approve the applications of **Dan Kells (Drop)** and **Bennett Stapp (Drop to retirement)**. Second by James Foley. Motion passed unanimously.

ITEM V – Disability Retirement Application: David Colborn Jr.

Mayor Hallman read the procedures and stated that all measures have been taken to indicate that the board can proceed with the application.

Mr. McHenry noted that he did not see anything in the packet that indicates that Mr. Colborn is suffering from permanent disability. The last doctor report given says that the patient is doing well. The previous doctor report says the same thing as well.

Since having back surgery in September 2009 and following rehab, Mr. Colborn does not show any reason why he could not completely recover from this incident.

Mayor Hallman said he would like to see the post operative report which was not present in the application submitted. This paperwork would help the board better understand if this is an accidental disability or a permanent disability and if it prevents Mr. Colborn from performing a reasonable range of duties within his job classification.

The hearing will be continued to the next meeting on June 10, 2010. The applicant will be notified that the board is continuing it because they cannot determine if he is permanently disabled with the information provided. Mr. Colborn can submit further documentation to prove why he cannot partake in the full range of activities to continue with his job.

James Foley made a motion to adjourn. Second by Jeff McHenry. Motion passed unanimously.

The meeting was adjourned at 3:20 p.m.
