- 3. Availability of wireless tools**
- 4. Standardization of all public meeting information using the internet**
- 5. Utilization of customer relations software to track resident concerns and improve customer service**
- 6. Use of on-line payment and input systems city-wide**
- 7. Use of "Social Media" opportunities**
- 8. Other ideas**

According to the Arizona Open Meeting Law, the City Council may only discuss matters listed on the City Council agenda. The City of Tempe endeavors to make all public meetings accessible to persons with disabilities. With 48 hours advance notice, special assistance is available at public meetings for sight and/or hearing-impaired persons. Please call 350-8241 (voice) or 350-8400 (TDD) to request an accommodation to participate in a public meeting.
