Minutes were approved.

Agenda Item 3 – 8th Street Streetscape Concept Project

Staff presented an update on the streetscape concept project for 8th St. between Rural and McClintock, including the Creamery Rail Spur and the crossing of Rural Rd and connections to the light rail line and ASU. The project is commencing with a local landscape architecture team, AECOM, leading a public, staff and stakeholder process to develop concepts for new streetscape character along the corridor. The project will include review of parking, lighting, landscaping, pathways, adjacent redevelopment and historic structures. The committee had the following ideas/comments:

- Decrease vehicular traffic speed and volumes
- Provide an off-street pathway
- Review crime statistics to determine trouble spots
- Preserve history of the area and provide educational components
- Provide connection to University Drive, north/south links
- Provide better bicycle access

Agenda Item 4 – Tempe South Corridor Update

Staff presented an update of the project, including upcoming public meetings. The project is currently reviewing possible Ash Avenue alignment and economic development data related to the project area.
