**FINDINGS:**

09/24/08 Proactive complaint opened for deteriorated landscape after observing extensive uncontrolled growth of grass and weeds in the gravel landscape. After speaking to Jan Koehn, Neighborhood Enhancement Administrator, the decision was made to seek abatement for the violations due to the homeowner's health.

09/24/08 Received abatement estimate for \$928.00 from Jack Harrington Inc. authorized abatement contractor for the City of Tempe.

10/02/08 Inspected the property and found no change. Sent and posted Notice of Intent to abate for the 11/04/08 hearing.

11/07/08 Found no change at the property.

11/12/08 Ms. Koen called and stated that she has been in and out of the hospital with a severe condition. She asked for two to four weeks time to see if her son can help her with the landscape. This was granted to Ms. Koen.

12/11/08 Found no changes at the property. Sent Notice of Intent to Abate.

12/15/08 Found no changes at the property. Photographs were taken for this submittal.

## **COMPLAINT HISTORY**

The following history reflects all valid complaints on this property since Adrienne Koen established ownership of 132 W. Balboa Drive in May of 1997.

- CE001662     **05/05/00 through 05/12/08** Complaint for an unused or unwanted air conditioner abandoned in the north side yard. In compliance in one week. Lucy Morales was the inspector.
- CE061515     **04/03/06 through 06/29/06** Complaint for inoperable/unregistered vehicle, deteriorated landscape, and lawn parking. In compliance just under 3 months. Kirk Erickson was the inspector.
- CE064468     **08/30/06 through 009/25/08** Complaint for impeding the public sidewalk with a discarded cement or concrete debris. In compliance in just under one month. Kirk Erickson was the inspector.
- CE066827     **08/30/06 through 009/25/08** Complaint for excessive feces, junk and debris, and deteriorated landscape. In compliance in just under two months. Kirk Erickson was the inspector.
- CE074489     **08/30/06 through 009/25/08** Complaint for deteriorated landscape, junk and debris (all in the back yard), impeding the public sidewalk, and lawn parking. In compliance in just over four and ½ months, however the first two violation notice(s) were returned accounting for two weeks of that time. Jody Benson was the inspector.

## **RECOMMENDATIONS:**

There have been five prior complaints for 132 W. Balboa Drive dating back to 2000 for various violations. Three of the prior cases included deteriorated landscape. During the case in 2007 Ms. Koen advised that she has severe physical limitations due to prior injuries, however Ms. Koen denied each offer to put her in touch with volunteers. This was offered by me on several occasions.

After receiving the Notice of Intent to Abate for this case, Ms. Koen contacted me to advise that she was hospitalized two or three times this year with an untreatable condition that further debilitates her. Ms. Koen asked if I could allow her a few weeks to allow her son to try and get the yard in compliance. After a month there appears to be no change.

The home continues to be in violation of Tempe City Code 21-3(b)(8) for deteriorated landscape.

Without the intervention of abatement the property will continue to deteriorate. I therefore make a request to the City of Tempe Development Services Hearing Officer for authorization to abate this public nuisance in accordance with section 21-53 of the Tempe City Code and authorization of multiple abatements for a period not to exceed one hundred eighty (180) days from the previous abatement order.

Adrienne Koen is the listed legal owner of the residence, as recorded by the Maricopa County Assessor's Office.

Respectfully submitted,  
Jody Benson #16559  
City of Tempe Code Inspector
